

AP Active Components™ Lower Storage

AP Active Components Lower storage elements manage improvisation and support today's storage needs, all within smaller scaled workstations. They attach to Epure, Intuity, Tibas, HAT-Elements, AllWays, SHIFT and Xone panel, depending on the application.

Features

- Offers a variety of adaptable solutions to make open floorplans and smaller workspaces more personal, comfortable, and efficient
- Offers optional USB power for Security Drawer, providing a secure place to charge and lock up the mobile devices.
- Designed specifically to fit into smaller workstations, it maximizes space and adapts to people's workstyle needs
- Drawer versions include lock
- Integrates with Haworth desking program
- Haworth customers can easily add Active Components to an existing workspace to enhance personality and warmth
