

Intuity Enhancement (Phase 2)

Intuity Enhancement (Phase 2)

Product Sheet

An Evolving Solution...

As an evolving platform, Intuity continuously strike to enhance its solutions to meet and exceed market expectation. In this enhancement, Intuity upgrades its performance in cable management, screen element and bench extension.

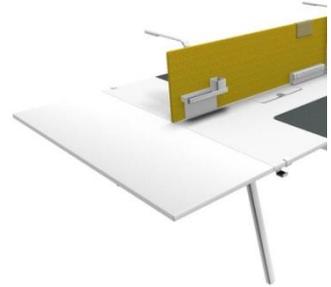

Intuity Enhancement (Phase 2)

Cable Management

Screen Element

Bench Extension

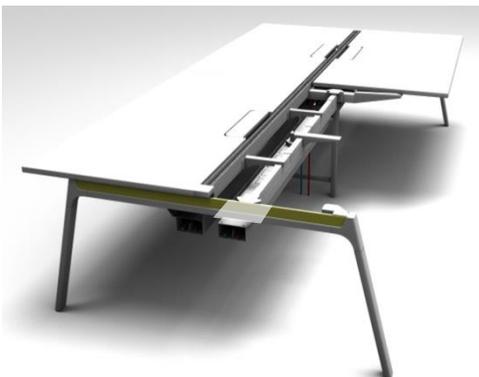

I. Cable Management Addition

Ceiling Feed

Designed to integrate directly to Intuity desk structure. Ceiling feed is available in either cable channel with power/data segregation or a simple yet flexible umbilical cord.

Cable Riser

Metal made raiser that can be easily attached / retrofit to Intuity A-leg or frame-leg to support freestanding desk application.

Full Length Cable Tray (Type-B) with Divider

A full length under-desk cable trough made with 'extra' room to accommodate 'oversized' adaptor such as of Apple devices.

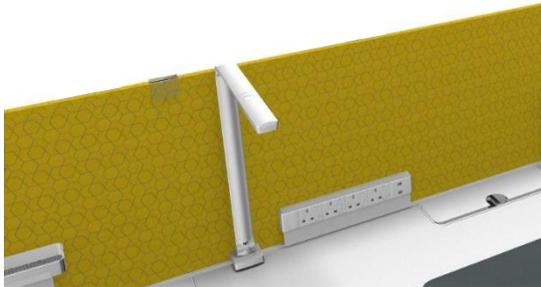

Intuity Enhancement (Phase 2)

II. Screen Elements

Acrylic Screen

A clean slate of 8mm acrylic sheet mounted direct to universal rail via die-cast clamps. Acrylic screen provides an open and light desk setting yet with adequate mean of privacy.

The die-cast clamps could be ordered separately to fix other material slate with the same thickness.

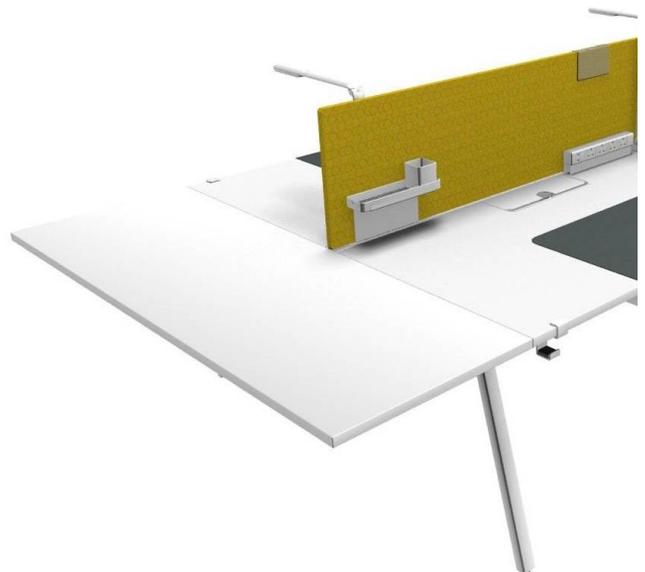

Screen Aligner

A visual transparent acrylic clip to keep two adjacent (full length) screens aligned.

III. Bench Extension

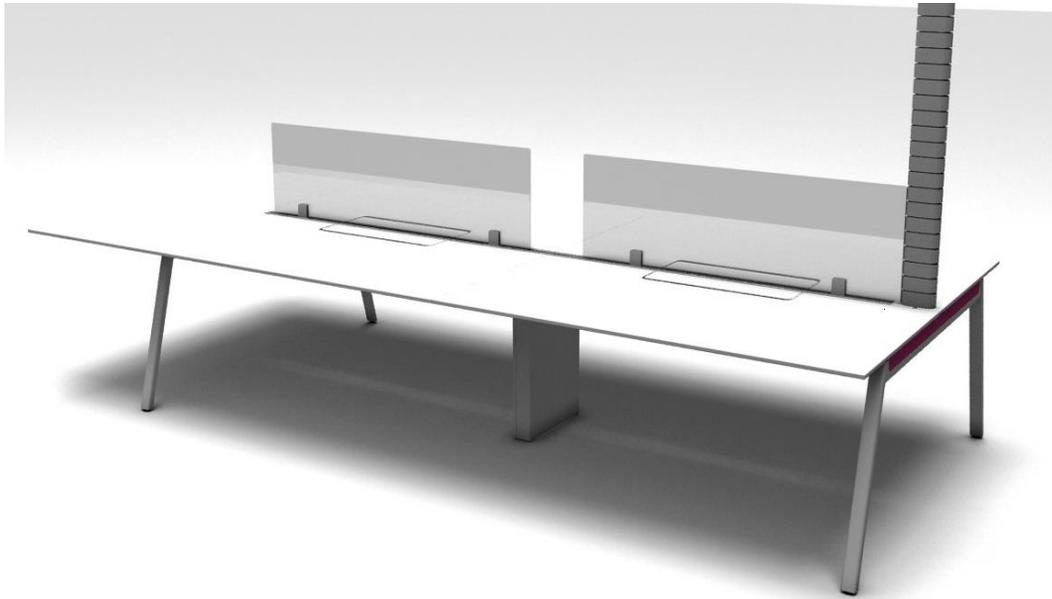

Extension Top

Extension top provides an open discussion area or simply a work point extension around bench. The surface could be fully cantilevered off from Intuity desk structure up to 600mm depth.

Intuity Enhancement (Phase 2)

Idea Starter

Setting 1:

Requirement: Light and open bench with ceiling power feed

Proposed Setting: Intuity bench setting featuring with...

- Acrylic screen - open bench yet with some level of visual privacy
- Extension top - open team discussion space
- Ceiling feed (with umbilical cord) - light ceiling feed cabling

Intuity Enhancement (Phase 2)

Setting 2:

Requirement: Freestanding desk with concealed cable management

Proposed setting: Intuity desk with cable raiser...

- Simple rectangle desk - with mean for return desk extension
- Cable riser - clean and attached direct to Intuity leg sufficient for single desk cable mean

Intuity Enhancement (Phase 2)

Certification, Quality & Lead time	
Standard Lead-time	4 Weeks
Sustainability Certification	BIFMA level™ 1, Green Guard, GECA
Durability Certification	BIFMA, AFRDI
Warranty	Limited Life-time

Finish Options	
Ceiling Feed (except umbilical cord)	
Cable Riser	
Full-length Cable Tray (Type-B)	
Desk Screen Bracket	
Extension Top Bracket	
Umbilical Cord	
Desk Screen
