

# Be\_Hold Design

Be\_Hold is a unique organisational system that elevates storage beyond a functional purpose and becomes a focal point of design. Be\_Hold seeks to structure spaces and support different work styles – from highly collaborative to focused - while leveraging design elements that transform your workplace.

## Features

- Elegant and modular range with upgrades
- Wide range from standard to elevated design addresses a large variety of customer needs
- Colours reflect a balance between warm and cool, similar to those found in nature
- Integrates with Haworth Europe portfolio, enabling new landscapes with different product combinations
- Functional elements meeting point + locker + top tray

## Design

Studio Urquiola

## Statement of Line
