

YourPlace

As the office landscape evolves, more individuals want to work in environments that offer a sense of refuge from the traditional office concept – spaces that have personality and evoke emotion and a sense of place. YourPlace reflects the desire for a different type of workplace - one that emphasises and supports personal identity and unique ways of work, all in a more inspiring atmosphere.

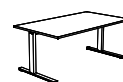

Features

- YourPlace modules can be mixed and matched to create a number of zones within an open office plan
- Various mechanisms available : motor driven, crank or fixed
- Desktop accessories are compatible with Drift 32 screens
