

Hamilton

Classic meets contemporary in the Hamilton chair. Organic shapes and a slim waist ensure an embracing design that provides all-day seating comfort. Make a timeless statement in any space and enjoy the character of Hamilton.

Design features

- Multiple options: the Hamilton chair is available with different bases: slim, tubular metal legs for a modern, light look and a swivel base for smart flexibility.
- Height-adjustable seat: the Hamilton chair is complete with a height-adjustable seat to accommodate your workspace needs.
- Non-upholstered seat: polypropylene in a choice of timeless colours.
- Fully-upholstered seat: choose from any of 120+ fabrics and leathers.
