The new workplace landscape has shifted to habitable spaces with high levels of function and flexibility. But we need more. Spaces that not only work well but make us feel good too. Positive spaces to focus, connect, collaborate and feel inspired.

The Mews landscape habitats are designed to fulfil the needs of the modern workplace. Mews enhances the ergonomics of your space through comfort, air quality, and lighting to create habitats that improve the calibre of work, connection, and collaboration.

Features

- Central Integrated OE Petra unit with 2x power & twin USB
- Toughened glass door and panels
- All pods are also set to deliver 12 air changes per hour as a 'nominal' setting
- Offers high levels of acoustic insulation, achieved through innovative sound absorbent wall panels
- Sustainable details: designed and built with longevity in mind, using quality materials that will stand the test of time
