

Reef

boss
design

Reef is a robust collection of tables offering a broad selection of uses across the workplace, with the table base firmly secured to the stem. Reef offers the specifier a selection of table top options and is designed as a coffee, poseur, meeting or dining table.

Features

- Table tops available in MFC, MF MDF, Laminate, Veneer top finishes
- Choice of circular or square top
- Available with circular or square base
- Stem and bases are available in Black, White or Silver as standard with additional 6 standard Boss RAL colours
- Pixel Power and data is available, centrally located on the table top. Power cables are concealed within the table stem and exit underneath the partially raised base.
- Polished bases are also available on an extended lead time
