

BuzziWrap Desk

Design by BuzziSpace Studio

BuzziWrap Desk is a shield for noise and visual distractions. As it wraps around your desk, it converts a plain worktop into a cocoon while hiding the typical cable clutter on the backside of your table. It's easy to install, and thanks to its various sizes and fix positions, it can be attached to almost any existing desk. In combination with the colorful palette of BuzziFelt, it will brighten up your day in silence.
