

# Nivel

Redefining the future in pendant illumination, Nivel's pure and elegant silhouette features a colorful pallet of spun shade forms combined with an articulating flat panel LED light engine that pivots gracefully on axis to focus light downward or as a wall wash to provide seamless light control for any space. Nivel pendant can be suspended individually or in large multi-light clusters powered by a single hardwired canopy allowing the user to reposition the lights to any desired height, span and directionality.

#### Features

- Shades are offered in 6 different hues and can be paired with either graphite or white cord segments to personalize your lighting experience
- 45° shade tilt and 360° shade rotation
- Available in 2 sizes and 6 powder coated finishes
