

Tijo

Free your interior space! Offer a unique environment where the furniture pieces adapt to various functional areas for different uses. With a back panel made from scrap melamine from the manufacturing of tables or storage units, the Tijo cubes combine to create individual or shared seating, personal storage or lecture halls.

Features

- Designed in different sizes to fit perfectly to flexible spaces
- Timeless design, its high modularity allows easy reconfiguration
- Made out of recycled wood materials and PEFC certified wood
- Produced in a facility that sources 100% carbon neutral electricity
