

HAWORTH collection

Branch cappellini

Tables

The frame of the Branch table is made of identical aluminum elements that interlock simply and seamlessly to form a unified whole. Branching in different directions, the legs create a unique, fluid support structure. It's ideal for informal conference spaces and libraries, as well as café and dining areas.

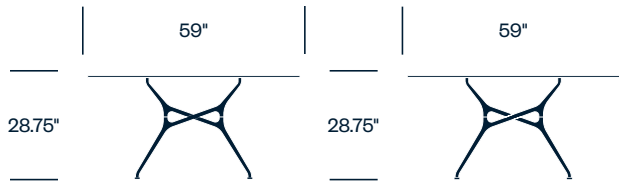

Features

- Larger tables accommodate up to 12 people
- Square, round, or rectangle top
- Tops available painted, glass, or wood
- Steel base
