# CareFit Slim Laptop Cart

ergotron®

Mobile Cart

Easily moving wherever your work takes you, the lightweight CareFit™ Slim Laptop cart helps caregivers stay productive and provide quality patient care. The expansive height range adjusts easily to the ergonomic needs of the broadest range of users. Flexibility and a compact design make this cart a versatile point-of-care solution at a patient's bedside, in a hallway, or in other high-traffic areas. When not in use, it fits tightly against the wall to free up valuable space.

A pioneer in ergonomic solutions for caregivers, our partner Ergotron has nearly 40 years of experience enhancing workflows to help health professionals thrive and drive positive patient experiences.
