StyleView Powered Cart

ergotron®

Mobile Cart

Effortlessly moving to the point of need, the compact StyleView® Powered Cart helps caregivers stay productive while on-the-go, with an on-board battery that powers your technology. The quick and easy height adjustment moves the monitor, surface, and keyboard together, offering comfortable sitting or standing for nearly anyone.

A pioneer in ergonomic solutions for caregivers, our partner Ergotron has nearly 40 years of experience enhancing workflows to help health professionals thrive and drive positive patient experiences.

Features

- Height adjustment of 20" (508 mm) allows a wide range of users to sit or stand comfortably
- Monitor, surface, keyboard, and mouse move together in a single adjustment
- Patented Constant Force™ Technology provides smooth adjustment
- Personalize monitor position with an additional 5" (127 mm) of height adjustability, 90° of rotation, and 25° of tilt
- Large, smooth worksurface slides in and out to position it right where you need it
- On-board battery with visual status indicator on worksurface, plus audible status alerts
- Back-tilt keyboard tray with slide-out mouse tray adjusts for ergonomic comfort
- Integrated scanner holder and rear storage basket keeps technology and tools close at hand
- Easy to clean, with antimicrobial-treated surfaces and wrist rest
- T-slot channel allows for optional accessories
