

HAWORTH

Very

Task Seating

The Very® task chair features intuitive lumbar support, with patented asymmetrical control and supportive mesh or knit, to enhance comfort and enable performance. The versatile Very family also includes conference seating, wire stackers and stools, and side and seminar chairs.

Certifications

- BIFMA LEVEL 3 Certified
- GREENGUARD Gold Certified
- May Contribute Toward LEED® Credits

Features

- Asymmetrical adjustable lumbar accommodates the natural curve of the spine
- Flexible mesh back supports the user's back in all postures
- Choose a digital knit back for comfort with a warm, contemporary look and intentional stitching tension variations for a supportive feel in the lower back
- Pneumatic seat height adjustment
- 3-point tilt enables a comfortable, relaxed posture
- Back lock secures the seat back in an upright position
- Choose from 4D, height-adjustable, or fixed arms
- Seat has 3-inch seat depth adjustment and upholstered foam
- Optional forward tilt adjusts 5° downward to support an upright, forward posture
- All Very chairs are cleanable with soap and water or disinfecting wipes; bleach cleanable fabrics, leathers, and faux leathers are available
- Add an upholstered back jacket for even greater cleanability
