

HAWORTH

Task Seating

Zody

Zody® is a high-performance task chair that blends science-based wellness and comfort with global style. With its patented lower back support and a host of ergonomic refinements in a sleek, sustainable design, Zody offers personalized comfort and adaptability for any environment.

Features

- Pelvic and Asymmetrical Lumbar (PAL) provides independently adjustable support for each side of the lower back
- 4D arms fluidly adjust in height, side to side, front to back, and arm cap pivot position; also available with fixed or height-adjustable arms
- Optional headrest for contoured ergonomic support of the head and neck
- Tilt tension control, seat height, multiple position back stop, seat depth, and forward tilt
- Waterfall seat edge minimizes pressure on the back of the legs
- Comfort and ergonomic support to accommodate 95% of users with easy, labeled adjustments for personalization
- Zody stool adjusts from 22" to 29" in seat height for comfort at taller workstations and tables
- Available with a standard mesh back in 10 colors; a knit back from Haworth Digital Knits in a signature Zody pattern and five color options; or an upholstered back jacket in a wide variety of fabrics, leather, and faux leather
