Be_Hold

Upper Storage

Be_Hold® upper storage provides variety, choice, and scalability. Multiple sizes, options, and configurations support people across an open floorplate. The expansive Be_Hold offering also includes pedestals, lateral files, credenzas, storage cabinets, personal storage towers, bookcases, wardrobes, and accessories.

Features

- Glue-and-dowel construction ensures lasting performance
- Full-case bottoms create rigid structures
- Metal locks are secure and durable
- Five pull options come in a variety of finishes
- Units may be panel, stanchion, or top mounted; open or with a sliding door; single- or dual-sided; available in nine widths
- Add slat rails, tackboards, or a reference ledge on selected units
- Stack-on units are 16" deep, available in 10 heights and four widths; for use on 1.5H and 2H lower storage units (credenzas, lateral files, storage cabinets, bookcases), with or without hinged doors
