## Features and Specifications

### Aluminum Tops

Comprised of powder coated aluminum (1.75" thickness).

### Wood Tops

Comprised of premium teak slats (1" thickness).

### CHPL Tops

Comprised of compact high pressure laminate (CHPL) with reverse bevel edge (0.5" thickness).

### Grappa Grande Bases

Comprised of a 24" square steel plate and column. Available in a stainless steel finish. Includes adjustable glides. Standard height bases are 28.5"h and bar height bases are 42.75"h.

## Additional Notes

JANUScafé tables are designed to be used in indoor or outdoor settings. Stainless steel bases are recommended in high humidity or high salt environments. When used in outdoor environments, JANUScafé may require special care. Refer to the Ancillary Brands Surface Care Instructions for details.

Installed height varies with top specification. Field assembly required.
