Luminosity:	700 lumens
Luminaire efficacy:	81 lumens/watt
Color rendition index:	85+
Rated lifespan:	50,000 hours
Bulb type:	high output LED array
Cord length:	9 feet

Table and Floor Lights

Aluminum body with polycarbonate lens and steel base. Features three axis rotation at each joint and an ultra light, minimal frame. An ergonomically positioned switch allows for single-handed use with effortless light level adjustment. LED array eliminates multiple shadows and offers 0-100% dim control. The lens also rotates 90 degrees for calibrated light adjustment. Superlight table and floor lights feature a 6 hour energy saving auto-off timer. Each Superlight comes with one magnetic base pad.

Base Pads (Set of Four)

Round, removable fabric pads that attach to the base of each Superlight table or floor using a magnetic underside. Full set includes one pad in each of the four colors.

Additional Notes

Each Superlight comes with one magnetic base pad. Additional colors sold separately. Superlight ships flat-packed.

All Superlight lighting is ETL, CE, RoHS, and PSE certified.
